

2004 Australian Fulbright Scholars

2004 Australian Fulbright Postgraduate Scholars

General Category

Name:	Ms Ranjana Srivastava
Specialty:	Medicine
Host Institution:	University of Chicago, MacLean Centre for Clinical Medical Ethics
Home Institution:	Monash University
Time Away:	1 year from July 2004
Proposed Program:	To undertake a fellowship to explore the ethics of medical practice relating to the manner in which oncologists reveal the prognosis of advanced cancer to patients and their families.
Award Name:	Fulbright Alumni WG Walker Award

Name:	Ms Andrea Yi-Ling Ang
Specialty:	Medicine and Surgery
Host Institution:	Harvard Medical School, Massachusetts Ear and Eye Infirmary
Home Institution:	University of Western Australia
Time Away:	2 years from June 2005
Proposed Program:	To undertake research in ophthalmology, in particular the pathogenesis and treatment of diabetic retinopathy.

Name:	Ms Tse-Hui Teh
Specialty:	Architecture
Host Institution:	Columbia University
Home Institution:	University of Technology, Sydney
Time Away:	1 year from May 2005
Proposed Program:	To undertake a Masters of Science in architecture and urban design.

Name:	Mr John Provis
Specialty:	Chemical Engineering
Host Institution:	University of Melbourne
Home Institution:	University of Illinois
Time Away:	8 months from October 2004
Proposed Program:	To undertake research towards a PhD, investigating the synthesis mechanisms and kinetics of geopolymers.

Name:	Ms Catherine Penhallurick
Specialty:	History and Law
Host Institution:	Harvard University Law School
Home Institution:	Australian National University
Time Away:	12 months from August 2004
Proposed Program:	To undertake a Masters of Laws focusing on criminal law and policy in a constitutional and sociological context.

Name:	Ms Cheryle Hislop
